Trinell Scott and Zaneta Adams had a conference call with Traci Teasley (MDE) this morning. The conversation was regarding adding some language to the Partnership Agreement with the PSA and the State of Michigan.

- John Lewis (MHPS – Assistant Superintendent of Finance) will serve as the primary point of contact for the Authorizer;
- provide professional development opportunities to appointed academy board in an effort to support its governance responsibility to ensure significant academic improvement;
- work with the academy superintendent to ensure successful implementation of the partnership agreement;
- identify barriers to the partnership agreement and to eliminate or minimize these barriers;
- facilitate discussions and meetings related to the partnership agreement as requested by the partnership district;
- participate in regularly quarterly updates with partnership to discuss partnership agreement progress;
- attend appointed school board meetings to monitor updates on the implementation of the partnership agreement;
- support the academy strategic plan such as but not limited to: creating external exposure opportunities for students and allow them to broaden their life and educational experiences.

This route was taken to allow us (the MHPS Board) the opportunity to begin participating in the partnership agreement. Initially we were not afforded the opportunity to participate.
